(Health & Nutrition Trainings in UC Zhara Band, district Kila Abdullah under Italian Project)

Organization

Participatory Integrated Development Society (PIDS) is not-for-profit organization, an off shoot of Balochistan Rural Water Supply and Sanitation project (BRUWAS) funded by Royal Netherlands Embassy, Govt. of Balochistan, and Local Govt. & Rural Development Department registered under Societies Registration Act, 1860 (Registration No. 869 March 1999). PIDS has been working in Balochistan since 1999 and enjoys facilitation and financial support from various donors particularly the PPAF and World Population Fund. PIDS aims to be the catalyst for improving the quality of life, broadening range of opportunities and socio-economic mainstreaming of the poor and disadvantaged, especially women. PIDS also has delivered a range of development interventions in areas like Quetta, Naseerabad, Jaffarabad, Lasbela, Turbat, Pishin, Loralai, Dera Bughti, Kila Abdullah, and Kohlu aiming at strengthening the institutional capacity of the community based organizations, and support the creation of organizations of the poor, that can work together to alleviate poverty and achieve MDGs/SDGs at the grass root level. Thematic areas of PIDS include Institutional Development, Livelihood, Community Physical Infrastructure (CPI), Health& Nutrition, Education and Emergency Relief.

1. Background and Rationale:

After learning and reflecting from its previous experience in Health project at grass root level, PIDS has now focused the basic health services component enlisting a wide range of community driven trainings to capacitate CRPs, VO members on social enterprise, health & hygiene, MNCH, nutrition, hand washing, safe drinking to further train the community members at household or CO level on sustainable basis.

The **Goal** of the project is to reduce maternal, newborn and under-five morbidity in UC Zhara Band of district Kila Abdullah in Balochistan Province of Pakistan.

The objectives of the project are;

- Strengthening of the community institutions through capacity building to improve knowledge and utilization of health services amongst the rural communities
- Improving access to MNCH services to the women of reproductive age and immunization services to the children under five of age

PIDS has planned to implement a comprehensive training programme under Italian Health & Nutrition (H&N) project in district Kila Abdullah with the financial support of Pakistan Poverty Alleviation Funds (PPAF). PIDS has formed COs, VOs and LSO through the social mobilization process. In order to strengthen these community institutes, the various trainings (as listed below) are being offered with the purpose to build their capacity. Eventually these trained communities could work around their capacity on several themes as proposed. This training programme includes;

(1) Training of health CRPs on health and hygiene seeking behavior. (2) Training of Health CRPs on Nutrition, WASH & MNCH (3) Training for skilled birth attendant/community health worker (4) Refresher training for Midwives (5) Social enterprise training around access to health centre

2. Objectives of the consultancy:

- To provide capacity building services to CRPs, VOs and LSO members for creating a cadre of efficient and trained human resource.

PARTICIPATORY INTEGRATED DEVELOPMENT SOCIETY (PIDS)
